# About MYF

## Vision

We strive for the Mediterranean Youth Foundation to be the largest green sustainable international youth organization that has representation in the countries overlooking the Mediterranean Sea and the neighboring ones; In the areas of youth empowerment of both genders as well as intercultural and intergenerational dialogue.

## Mission

Promoting cultural and youth cooperation between countries overlooking the Mediterranean Sea and the neighboring ones through cultural exchange programs; With the aim of empowerment, communication and peace building.

# MYF Objectives

**Building youth capacities** to keep pace with development and face global challenges (technological, environmental and climatic).

Enhancing youth participation to achieve peace and security and **human fraternity**.

**Empowering young women** in societies with less access to opportunities and helping them navigate beyond borders.

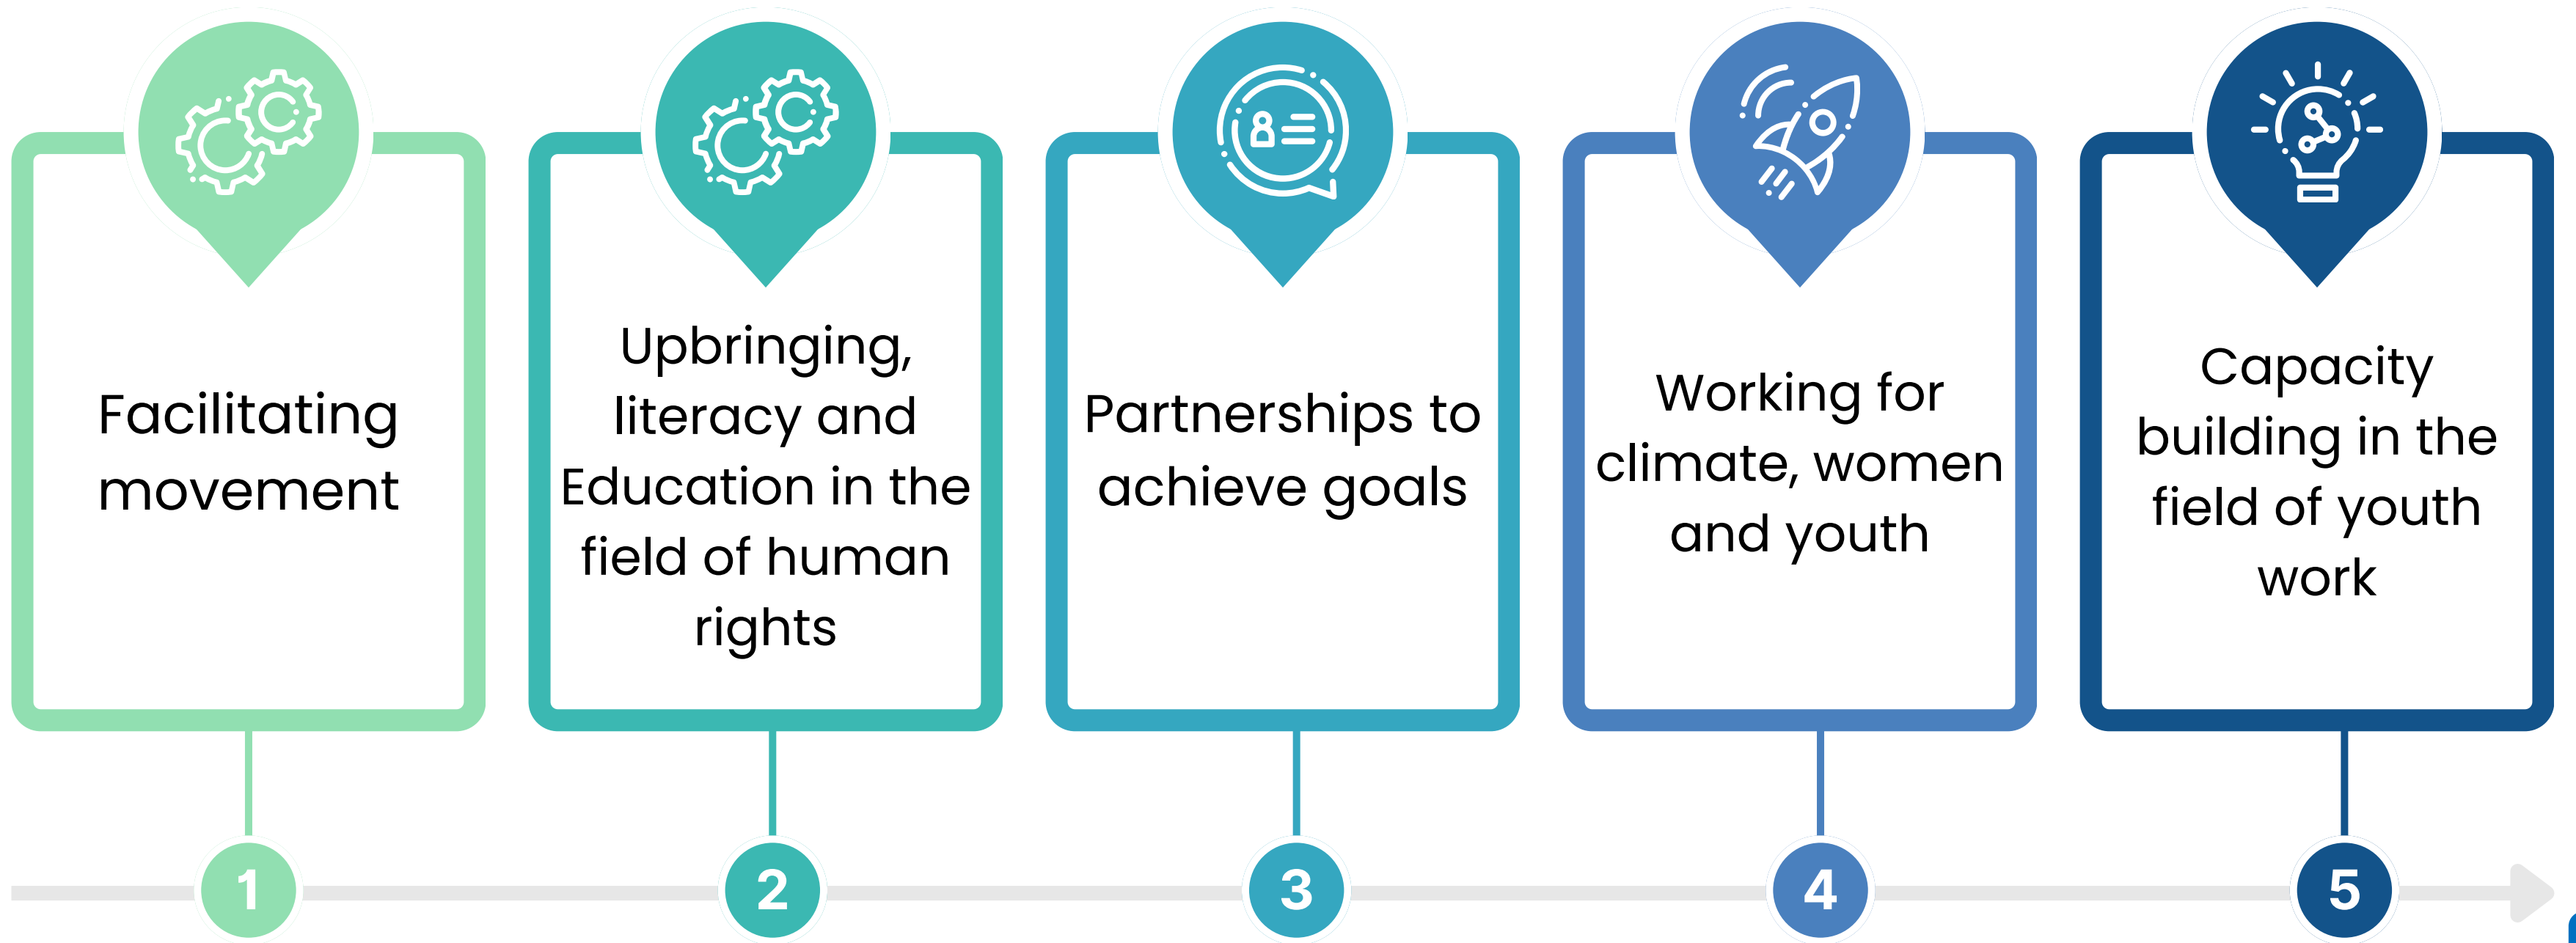

Promoting a culture of **intercultural dialogue** and cultural pluralism among the Mediterranean and neighboring countries.

Contributing to achieving and promoting the fourth, fifth, sixth, eighth, tenth, thirteenth, sixteenth, and seventeenth **SDGs**.

Involving youth who have **less access to opportunities** in social life.

**Building partnerships** to exchange and apply best regional and international practices in the field of youth work.

# MYF Outreach

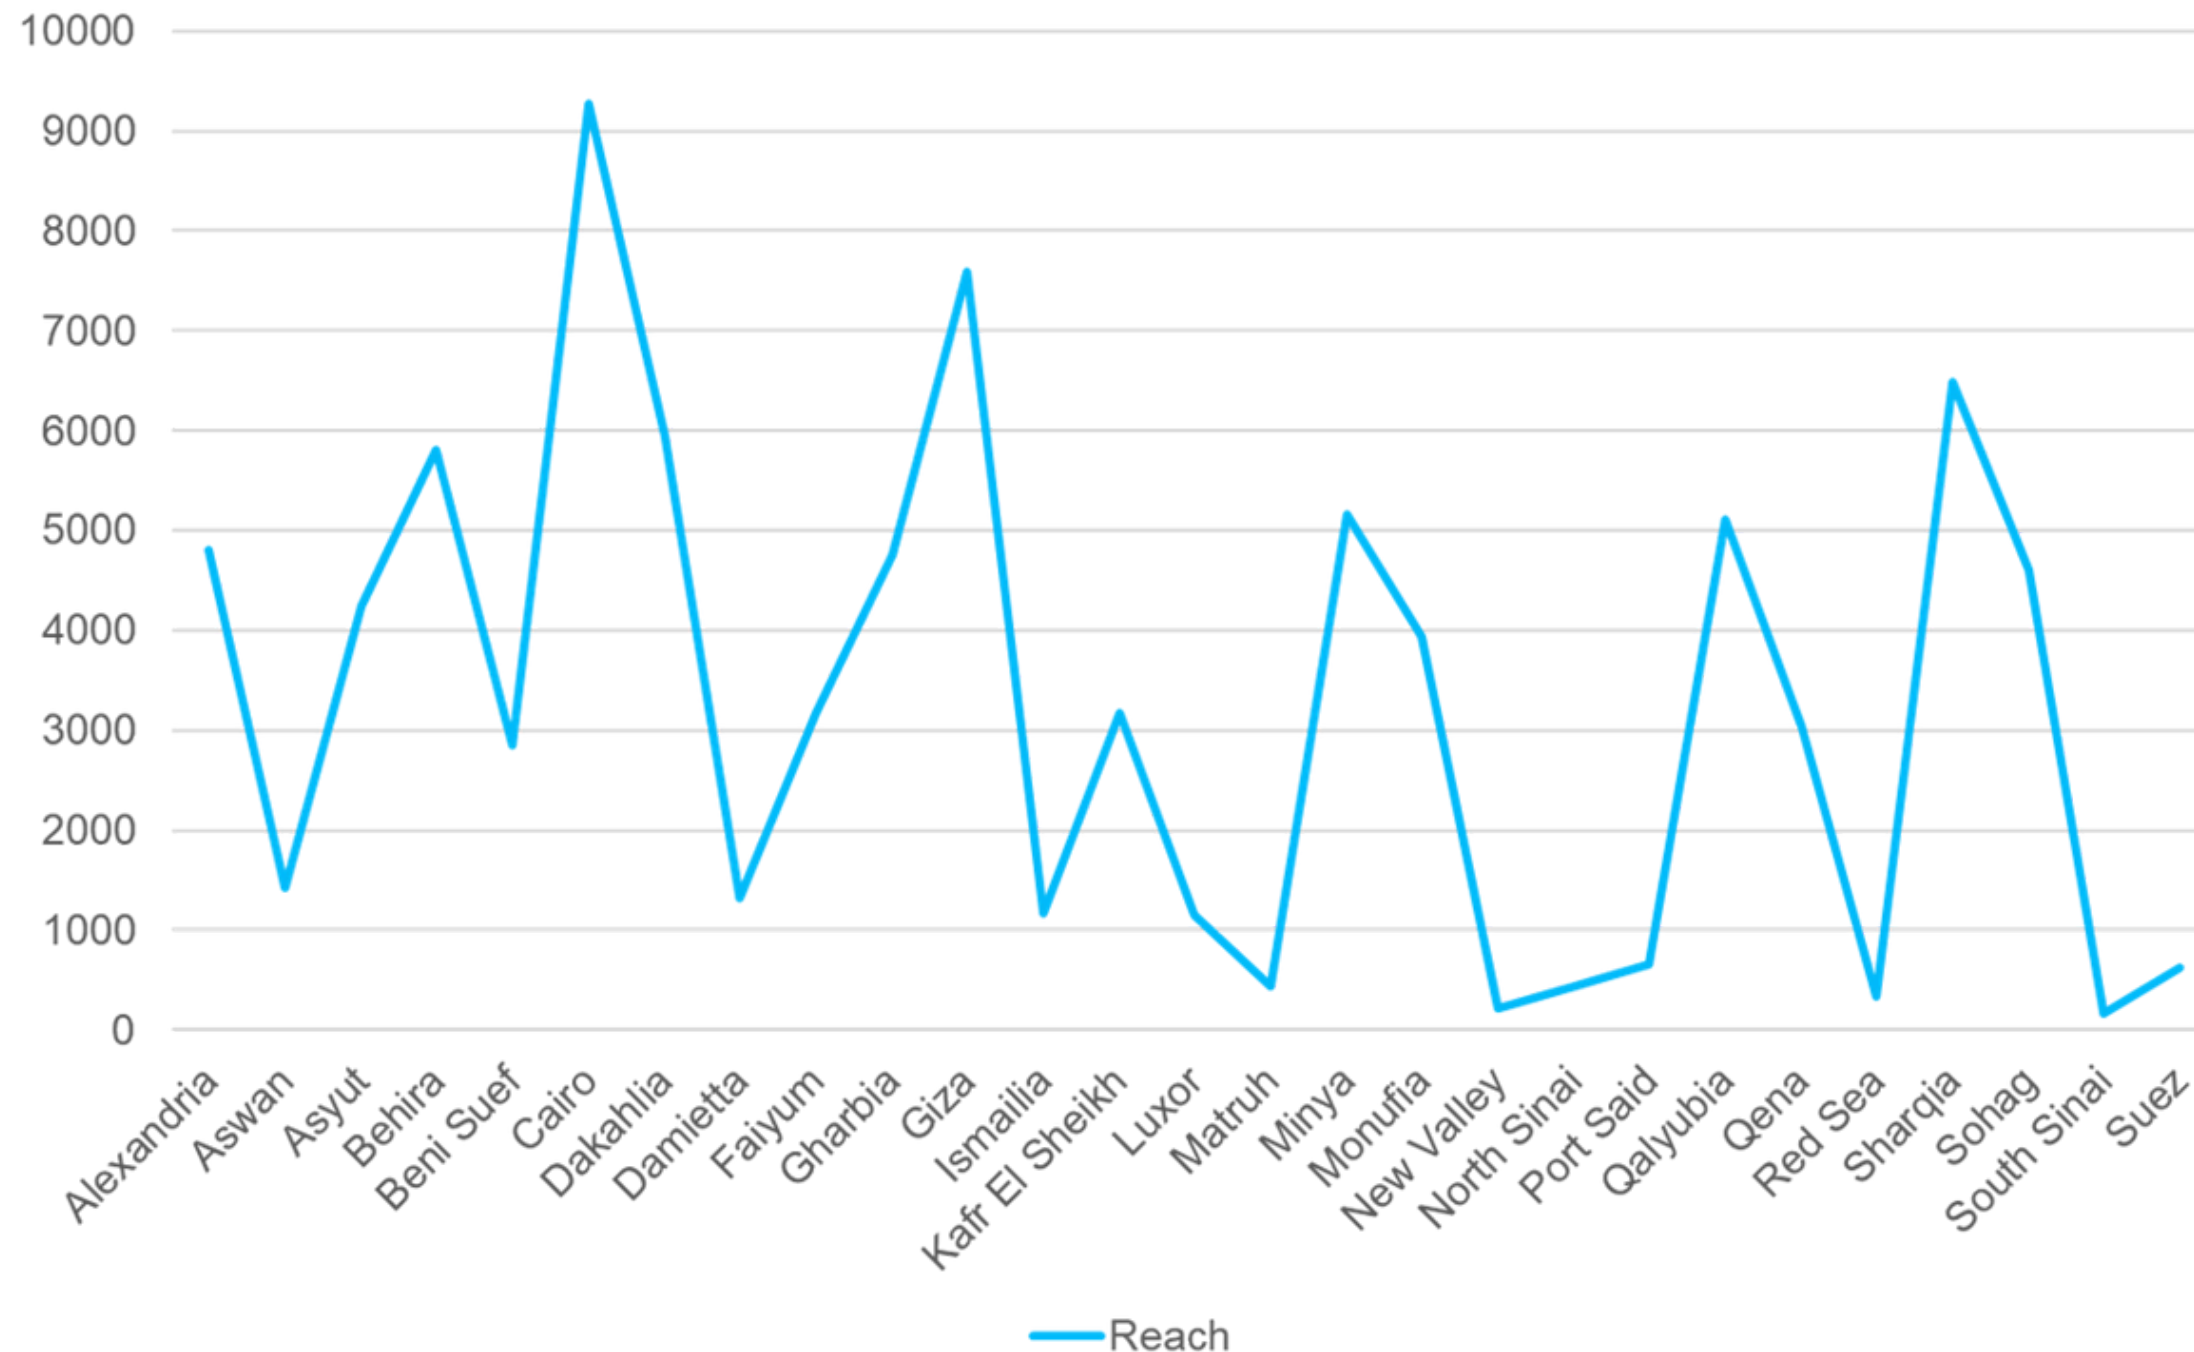

## Key Insights

**Cairo, Giza, and Sharqia** are the most governorates we have reached.

**North Sinai, South Sinai,** and New Valley are the least reached governorates.

We need to increase our reach to the **border governorates** even more.
